

# CAMP PINNACLE PACKING LIST

In our shared battle to minimize lost and found, we cannot emphasize how important it is to label every item you send to camp. Laundry will be done once during a two week session and twice during our three week session. New campers will receive a laundry bag upon arrival to camp; **returning campers should bring their laundry bag from previous years**. We will provide sheets and a blanket, please pack a pillow and pillow cases. Please pack everything in a traditional trunk or duffle bag that can fit under a bunk (no higher than 16 inches tall).
