

# CAMP PINNACLE

## PACKING LIST

Bringing too much stuff makes it harder for your child to stay organized at camp. Please limit unnecessary items. If you follow our packing list, your child should have everything needed for a successful summer. Camp Pinnacle will provide all campers with sheets and a blanket. Please pack in a traditional trunk that can fit under a bunk (16" high). A large duffel bag is also acceptable.

It is important to include your camper in the packing process. They should know what's in their trunk and backpack because they will be responsible for it while at camp.

## PINNACLE CUP: RED, BLUE & GREEN TEAM

During your child's session at camp, they will be assigned to a red, blue, or green team. We ask that families pack clothing choices that will help them dress up in their team color. We unfortunately cannot tell you their team color ahead of time. Please plan accordingly.

## FUNKY FLAIR

Our campers will occasionally dress in "funky flair" for evening programs, theme days or activities. We highly recommend bringing some fun accessories or a funky outfit to add to the fun and creativity of camp.

## LABEL EVERYTHING

In our shared battle to minimize lost & found, we cannot emphasize enough how important it is to label every item you send to camp. All clothes and belonging should be clearly labeled with your child's name - including shoes, sleeping bag, towels, hats, toiletries, etc.

## WHAT NOT TO PACK

We hope you share our belief in the importance of an electronic-free environment to maximize the benefits of camp. Please leave all electronics at home. If flying to camp, all electronics (including cell phones, games, iPods, tablets, etc.) will be collected upon arrival and returned upon departure. Camp Pinnacle cannot be held responsible for damaged or lost cell phones or other electronics brought to camp.
